Inclement Weather - What is the procedure for bad weather?

Medication Administration

Parents/Guardians must have a signed medication authorization form on file for camp staff to administer medication. The Authorization to Administer Medication form can be obtained during registration. Medication **MUST** come in the original pharmacy container. It must list clearly the camper's name, the doctor's name, the name of the medication, the correct daily dosage, and the correct time of the day the medication is to be administered.

Illness/Injury - What happens if my camper is sick or gets hurt?

Parents/Guardians will be notified by camp personnel if their child has not been feeling well for a period of time and does not seem to be getting any better. Moderate injuries will also be communicated to the parent once proper first aid has taken place. In the case of a severe injury needing professional medical attention, the parent or guardian will be contacted immediately.
