HOW TO CONTRIBUTE

The Olympic Peninsula YMCA provides a wide variety of assistance for kids, adults and families in our communities, including after-school programming for kids, mentoring for students and young adults, youth sports programs, health and fitness education for adults and seniors and much more. People striving to overcome difficult circumstances are able to become healthier and more confident as they connect with YMCA programs and services.

Your donation is greatly appreciated, and when even small contributions come together, they can make a big difference.

The Olympic Peninsula YMCA is a 501(c)(3) non-profit organization dedicated to building strong kids, strong families and strong communities.
