

OUR MISSION: To strengthen communities through programs and services that build healthy spirit, mind and body.

**Children Are Confident,
Prepared to Learn, and
Care About Others**

We will expand and grow programs and services for youth, with an emphasis on childcare/early learning.

**Individuals of All
Ages Are Supported
on Their Health
Journeys**

We will expand and grow a comprehensive suite of programs and services to meet the needs of the whole person and be a leader in community-based health.

**Individuals and Families of
All Types Are Part of a
Well-Connected,
Supportive Community**

We will provide programs and services that build relationships, deepen understanding of diverse perspectives, and foster mutual support; and will create pathways to community resources so that individuals and families can thrive.

OUR COMMITMENT TO EQUITY: To foster communities that are inclusive and socially just so that all people can thrive. We do not tolerate prejudice, discrimination, or abuse of any kind.
