

# 2024 IMPACT

## OLYMPIC PENINSULA YMCA

### SAFE, AFFORDABLE CHILD CARE & OUT-OF-SCHOOL TIME PROGRAMS/CAMPS:

Our out-of-school time programs provided young people with the support and resources they needed to learn, build skills, and develop confidence and self-esteem.

**424** Children served in 2024.

**\$125,000**

Provided in program support to families.

### YOUTH SWIM LESSONS & WATER SAFETY:

Our swimming lessons and water safety programs teach kids how to stay safe in and around the water and foster a lifelong love of swimming.

**990** Enrollments in swimming lessons and safety around water programs.

### FEEDING CHILDREN & FAMILIES:

We made sure that kids and families in Jefferson County had the daily nutrition they needed to thrive by preparing and distributing meals and food boxes.

**25,000+**

Meals provided to children and families while school was not in session.

### YOUTH SPORTS:

YMCA youth sports provide a range of benefits besides physical fitness including building social skills, encouraging teamwork and sportsmanship among children and teenagers.

**415**

Children participated in youth sports programs in 2024.

### HEALTHY LIVING FOR ALL AGES:

We helped people of all ages restore and sustain their health - including senior citizens and others seeking additional support for ongoing wellness goals, strength & stability and fall prevention needs.

**12,767**
